

Rametto di corallo

di P. D'Auria

<http://www.origamidauria.it>

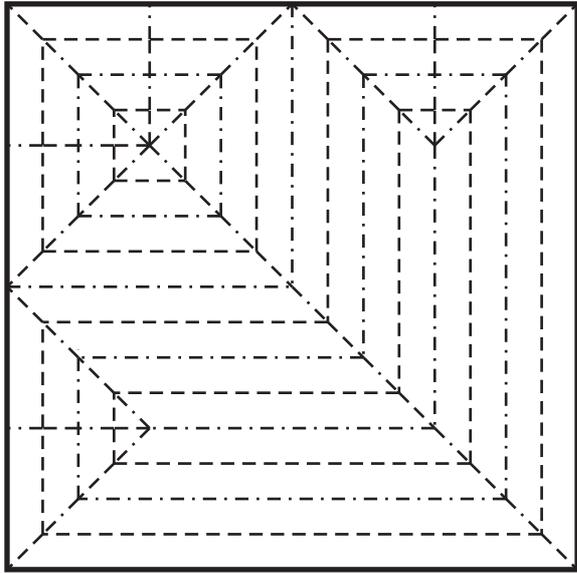

preferibilmente usare una carta metallizzata da un lato e rossa d'altro

rametto tipo 1

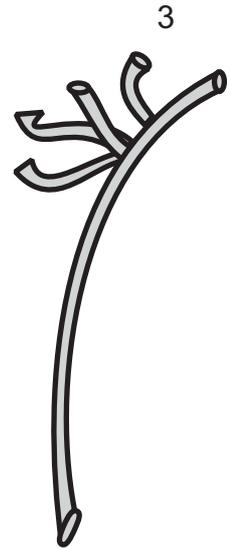

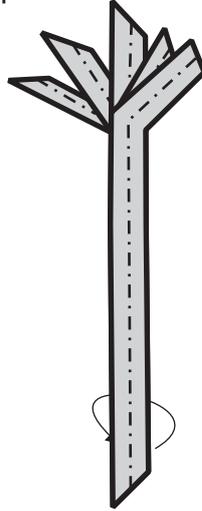

rametto tipo 2

partire dal punto 4 del rametto tipo 1

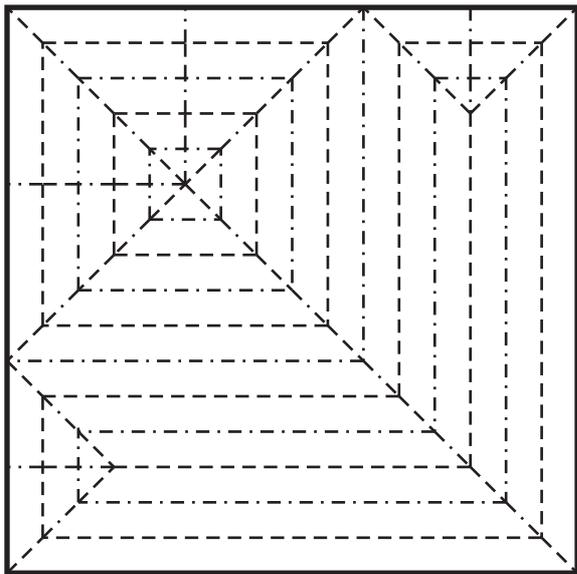

2 continuare come il tipo 1

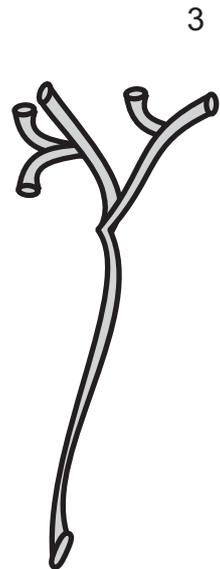

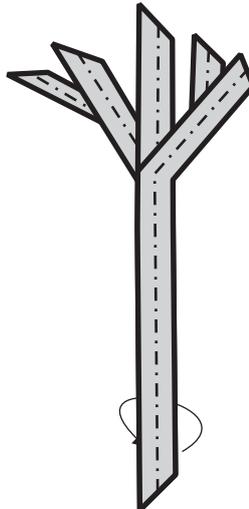

rametto tipo 3

partire dal punto 4 del rametto tipo 1

2 continuare come il tipo 1

...meglio un pesce d'aprile che uno squalo di ferragosto !!!
