Torta scatole compleanni Candeline

Usare un quadrato, all'incirca la metà di quello della torta, preferibilmente carta metallizzata rossa.

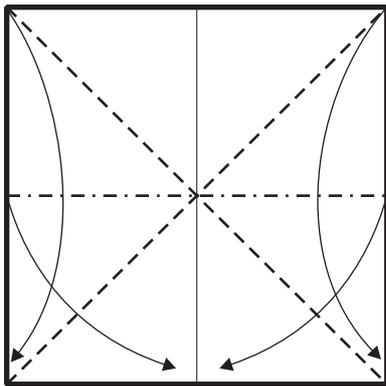

11

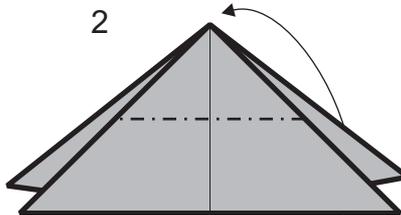

Torta scatole bambini
Testa cane

Usare un quadrato, all'incirca la metà di quello della torta.

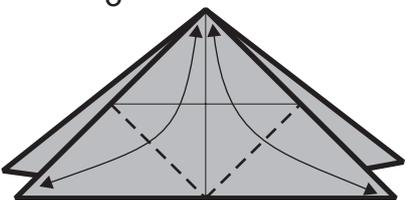

1 base triangolare

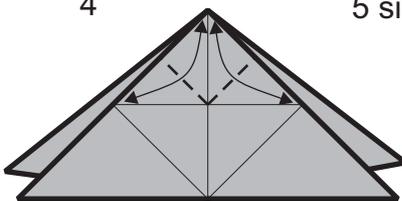

2

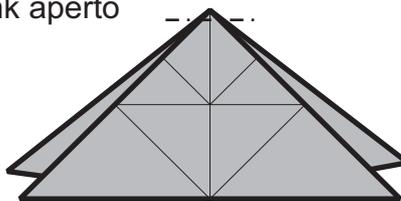

3

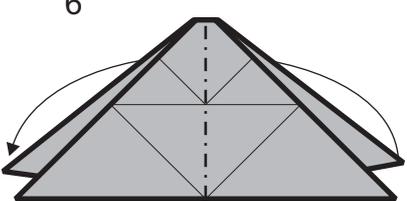

4

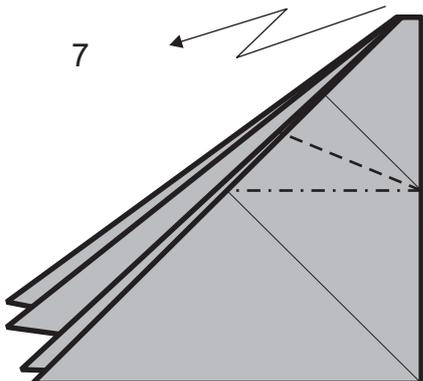

5 sink aperto

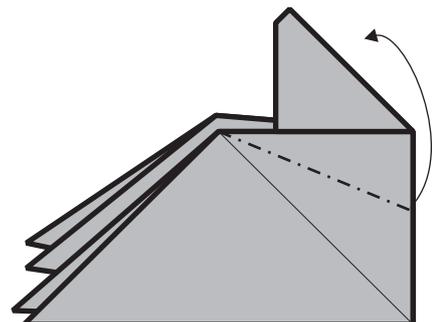

6

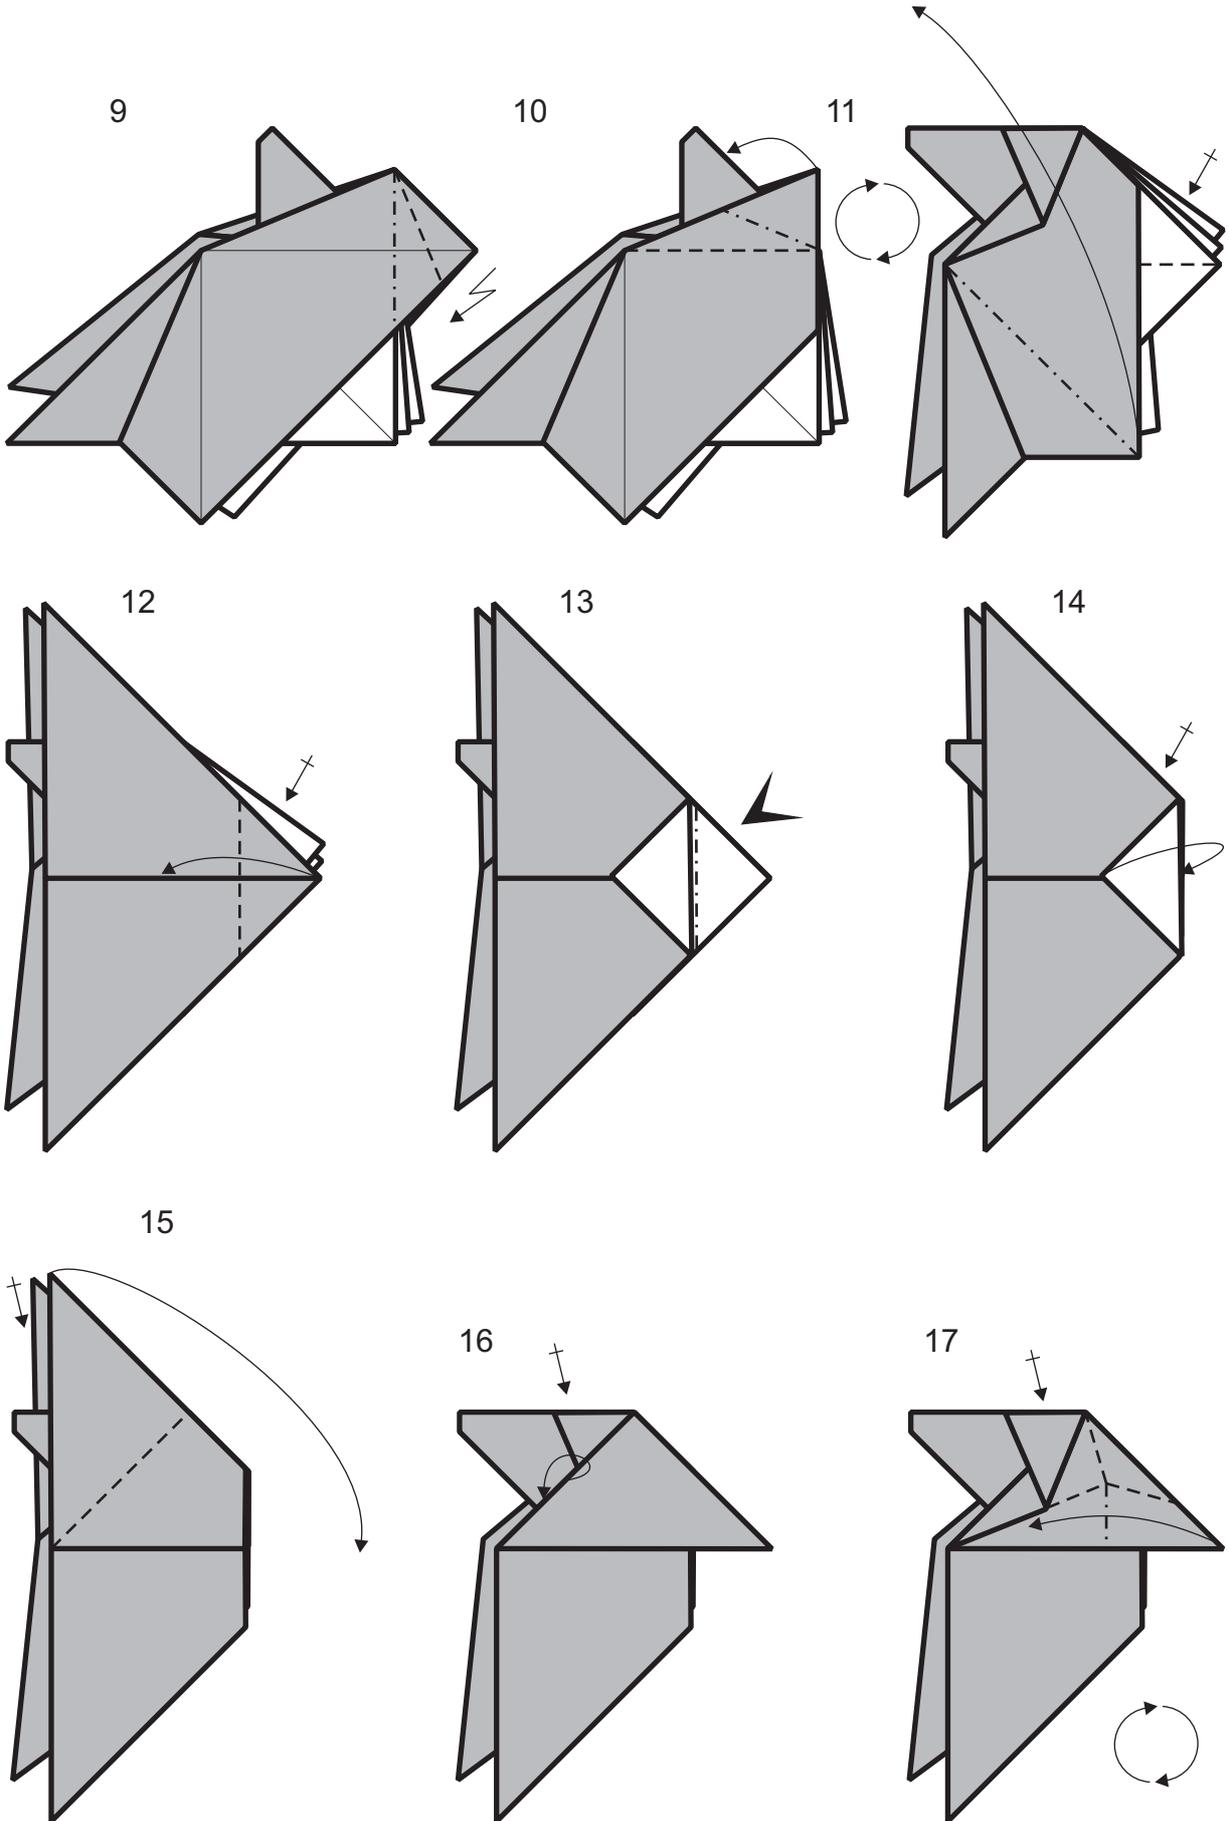

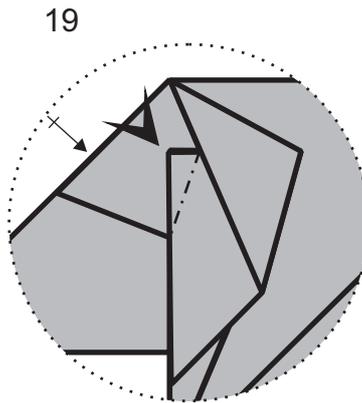

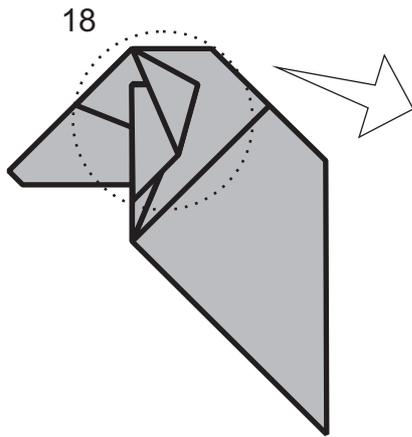

7

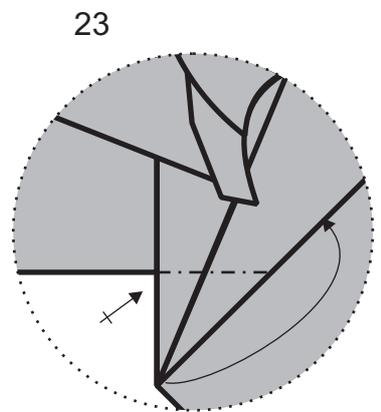

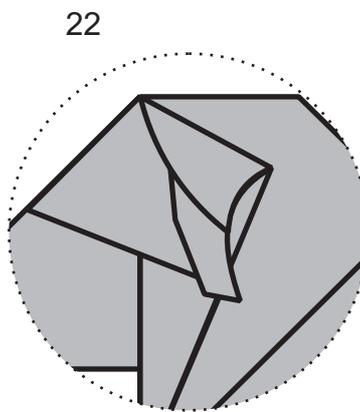

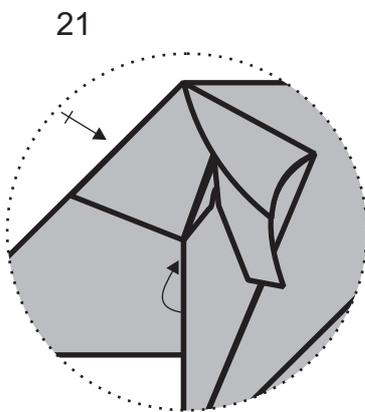

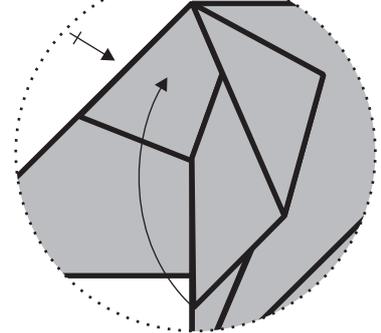

8 solo uno strato

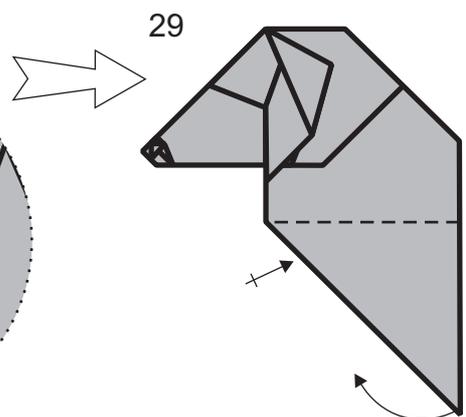

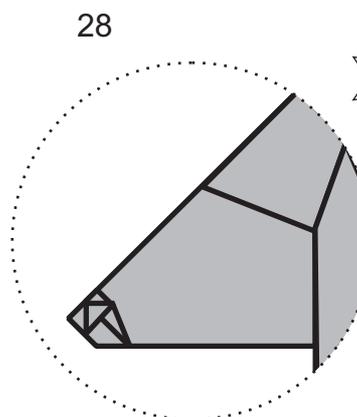

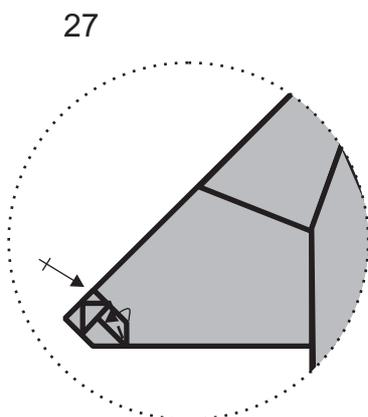

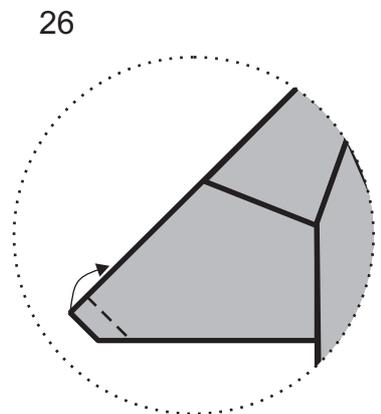

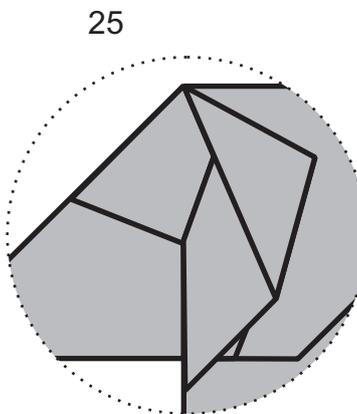

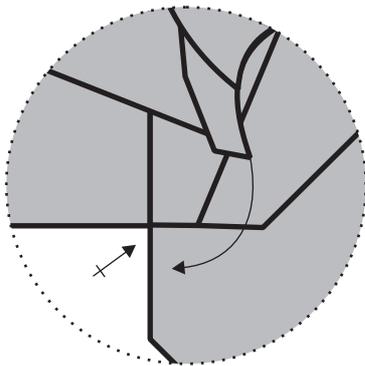

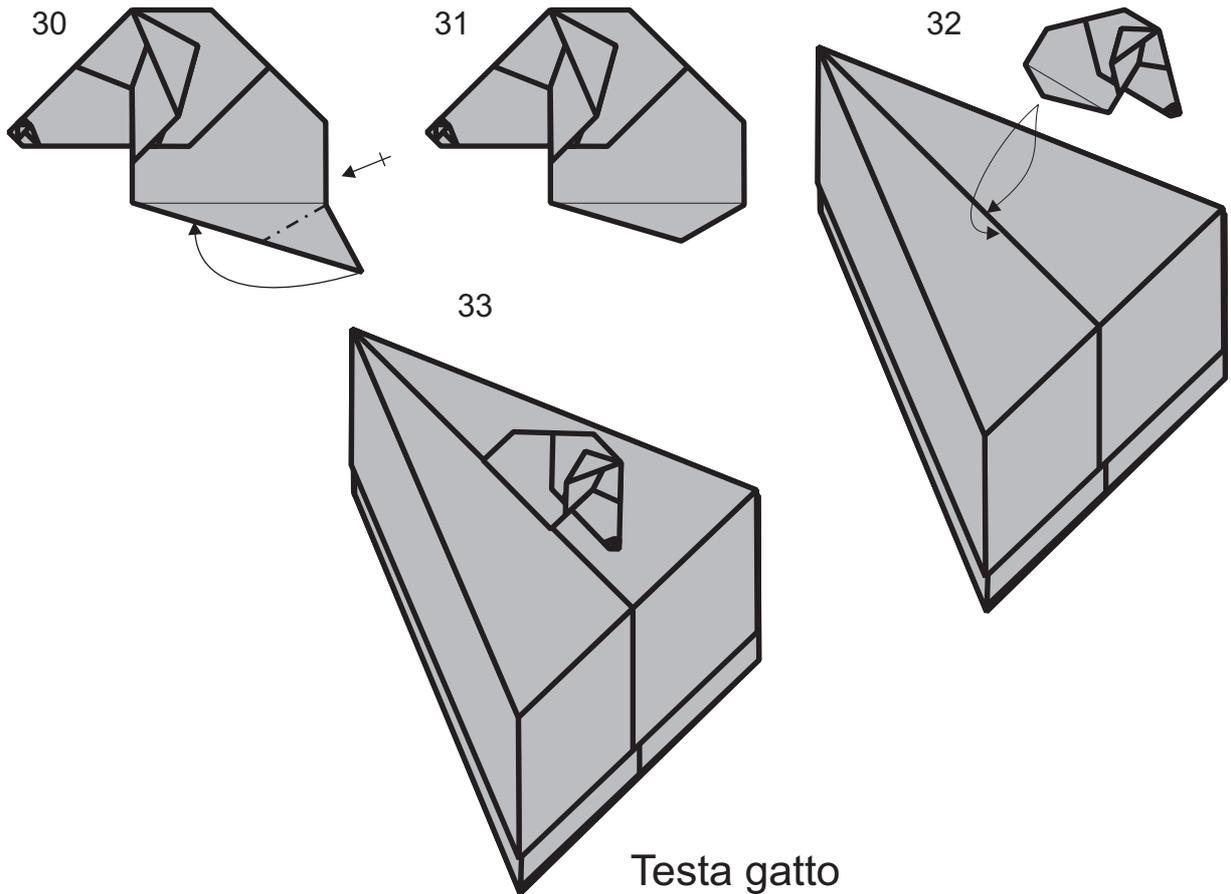

20 sollevare leggermente
le orecchie

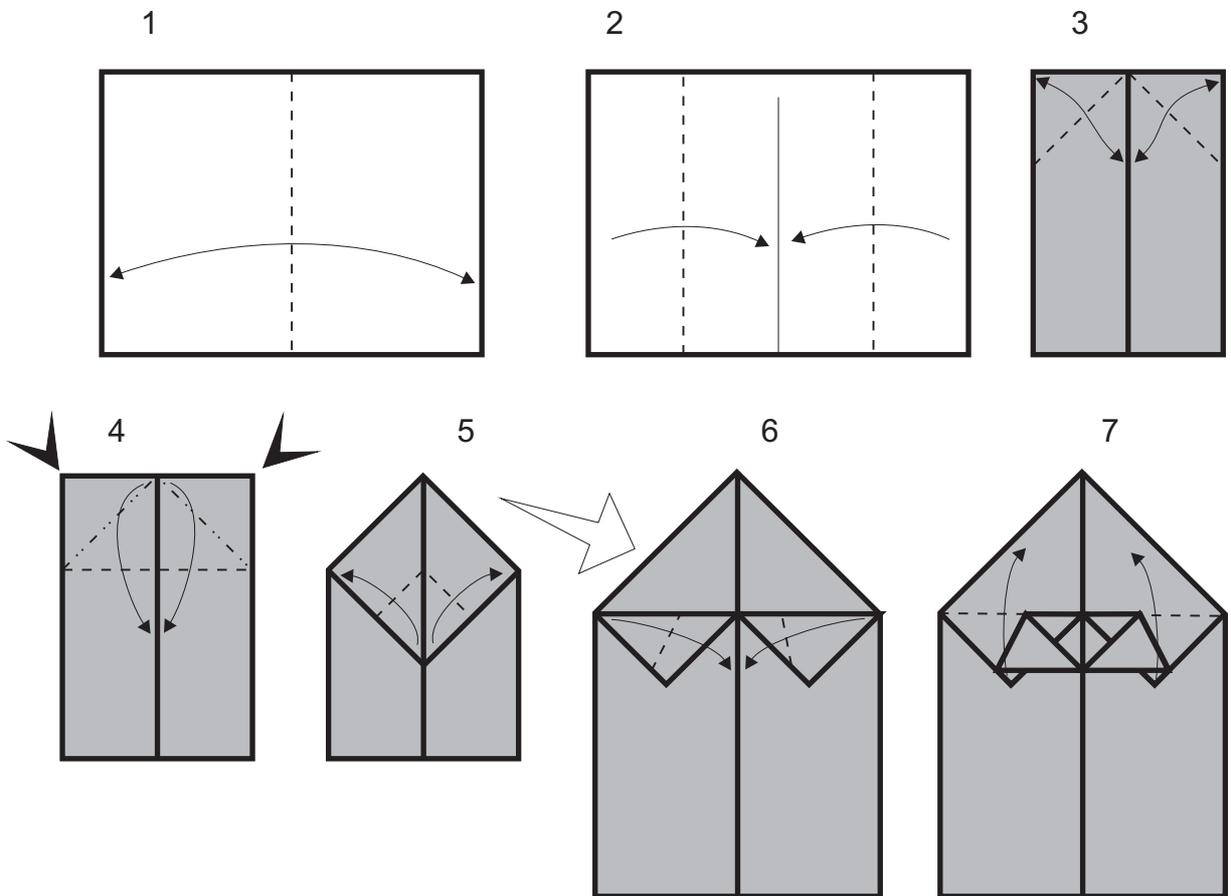

24 riabbassare l'orecchio

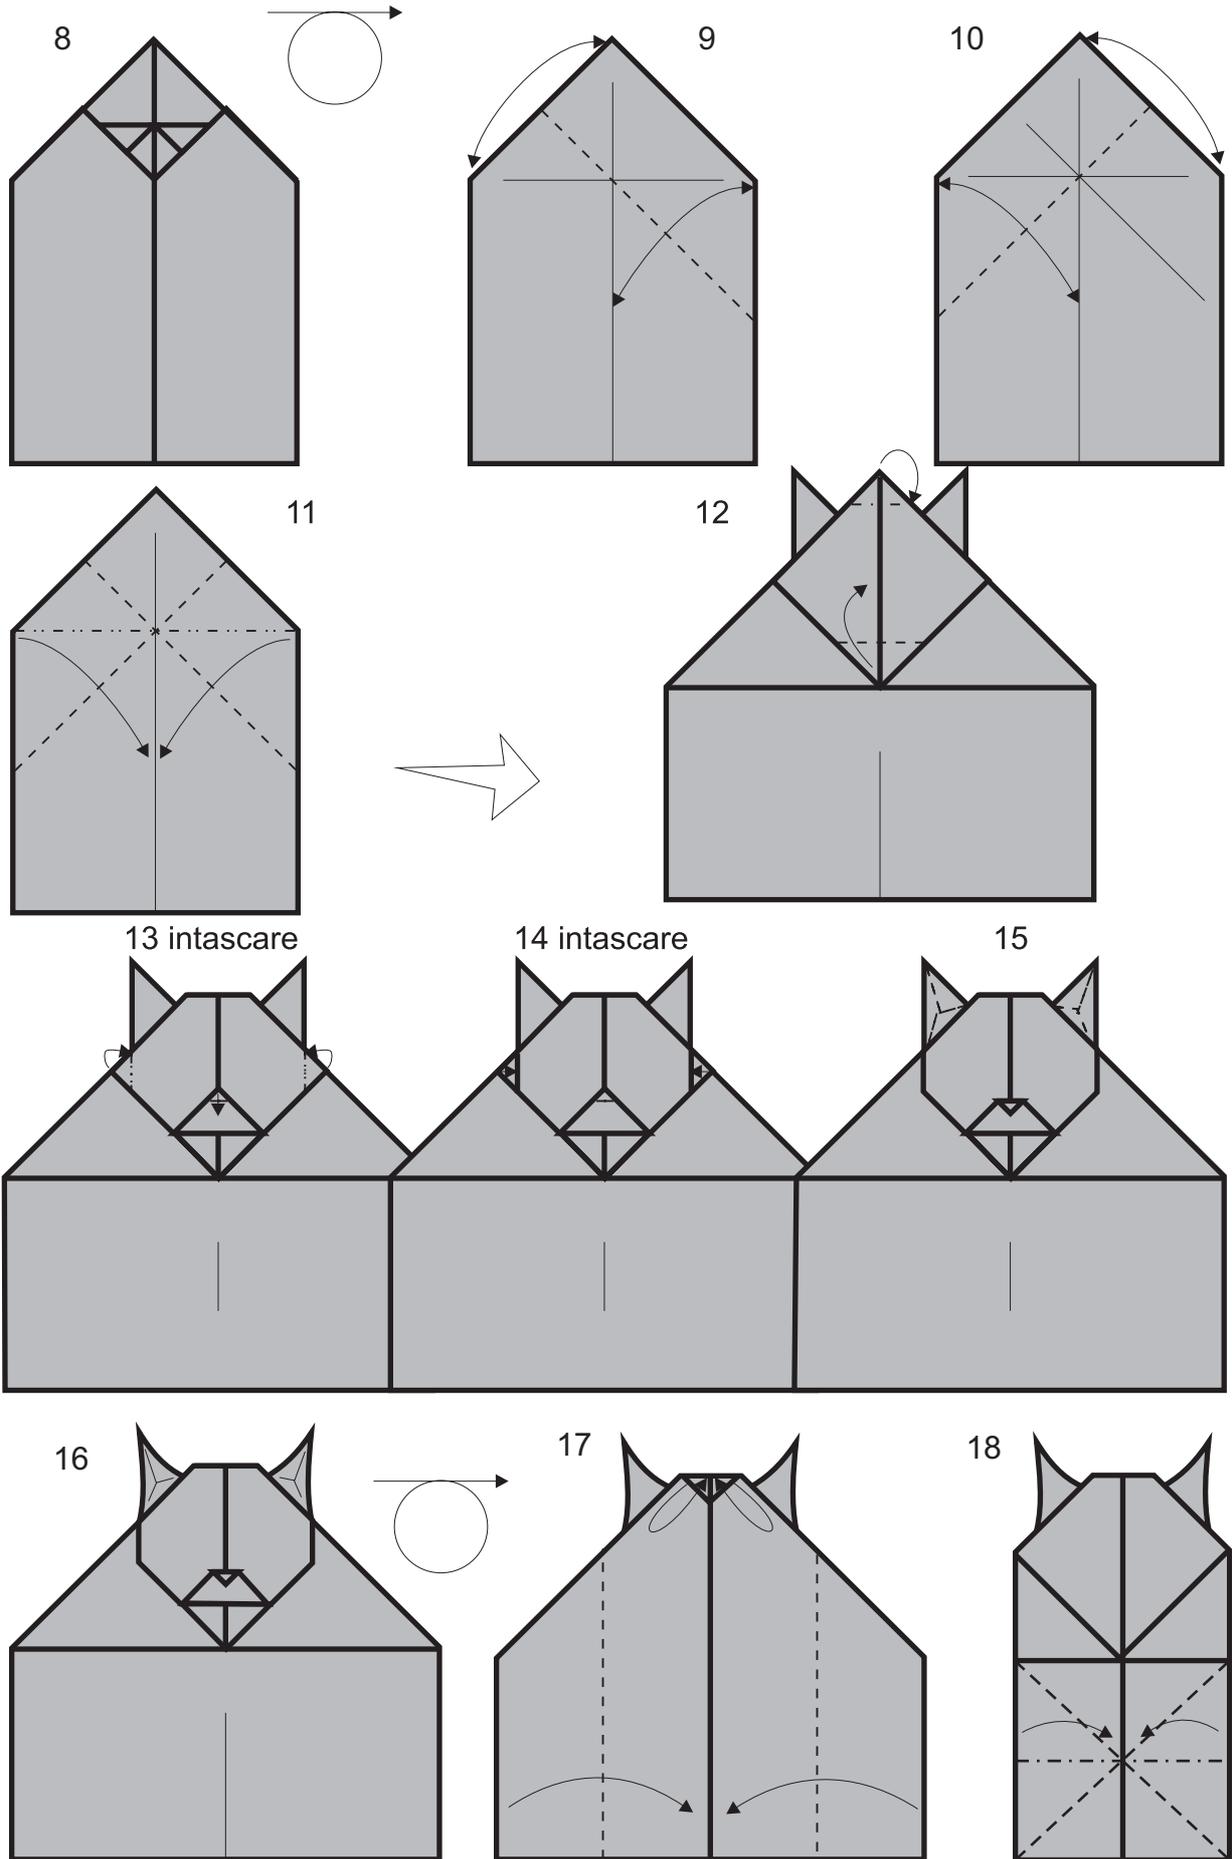

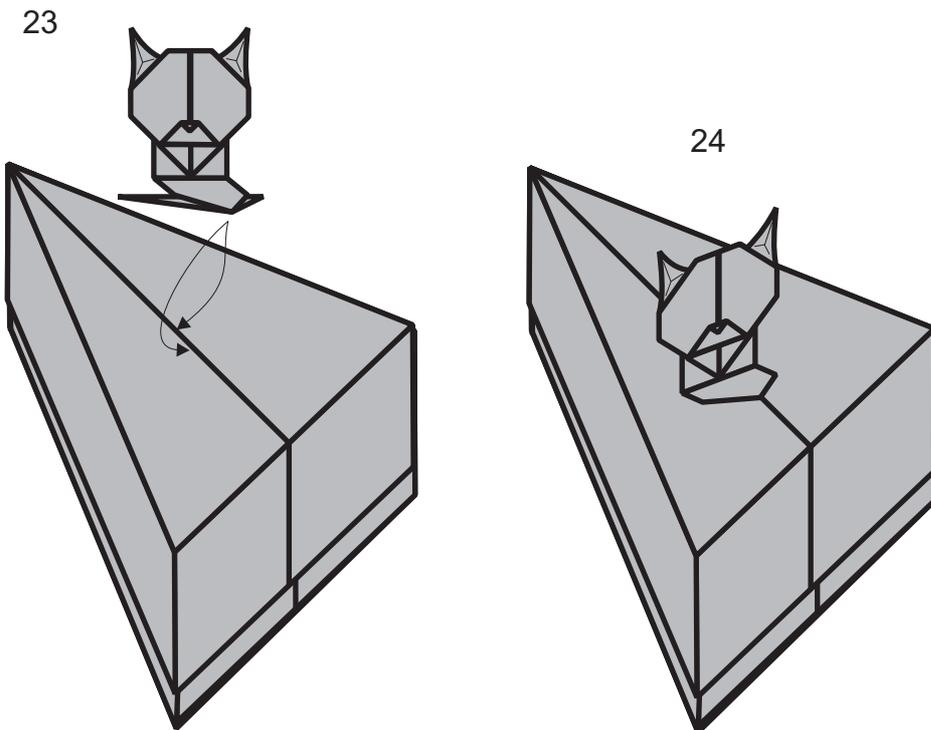

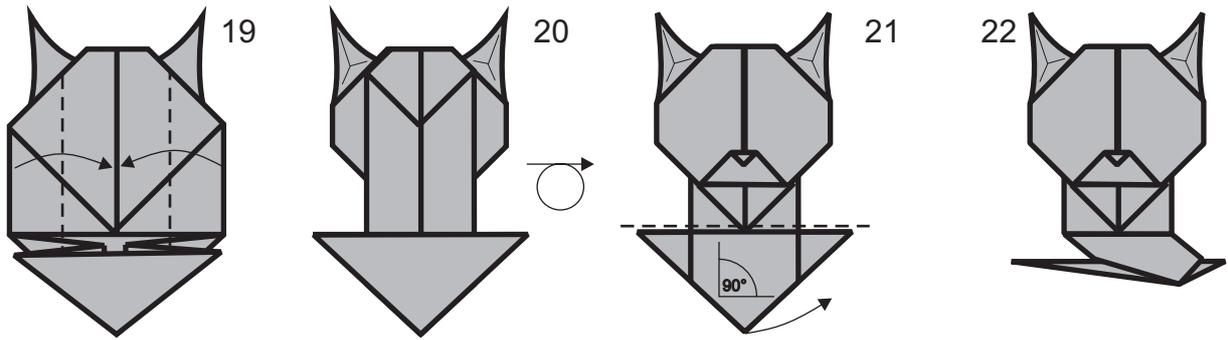

Testa gatto

Usare un rettangolo 3x4, con il lato piccolo all'incirca la metà di quello della torta.

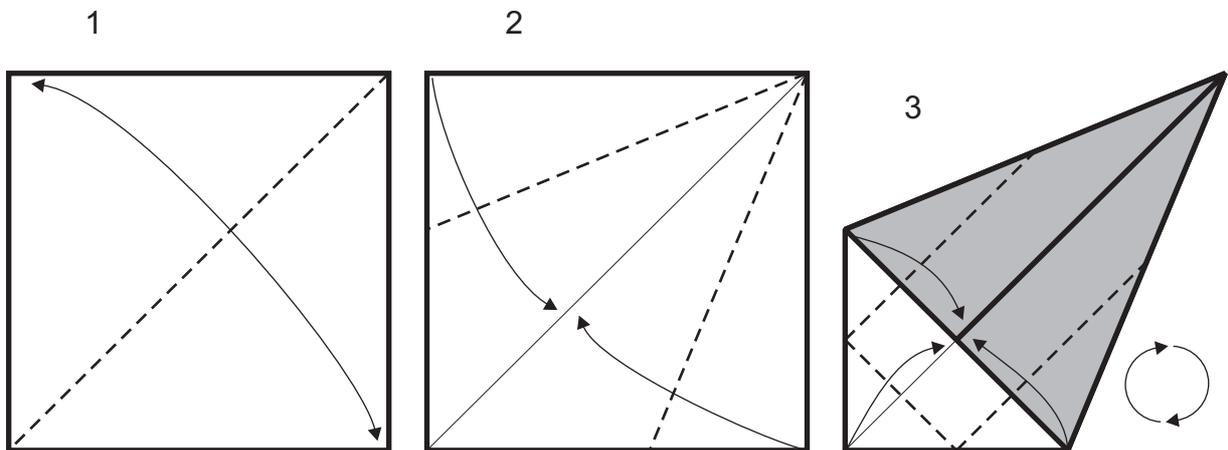

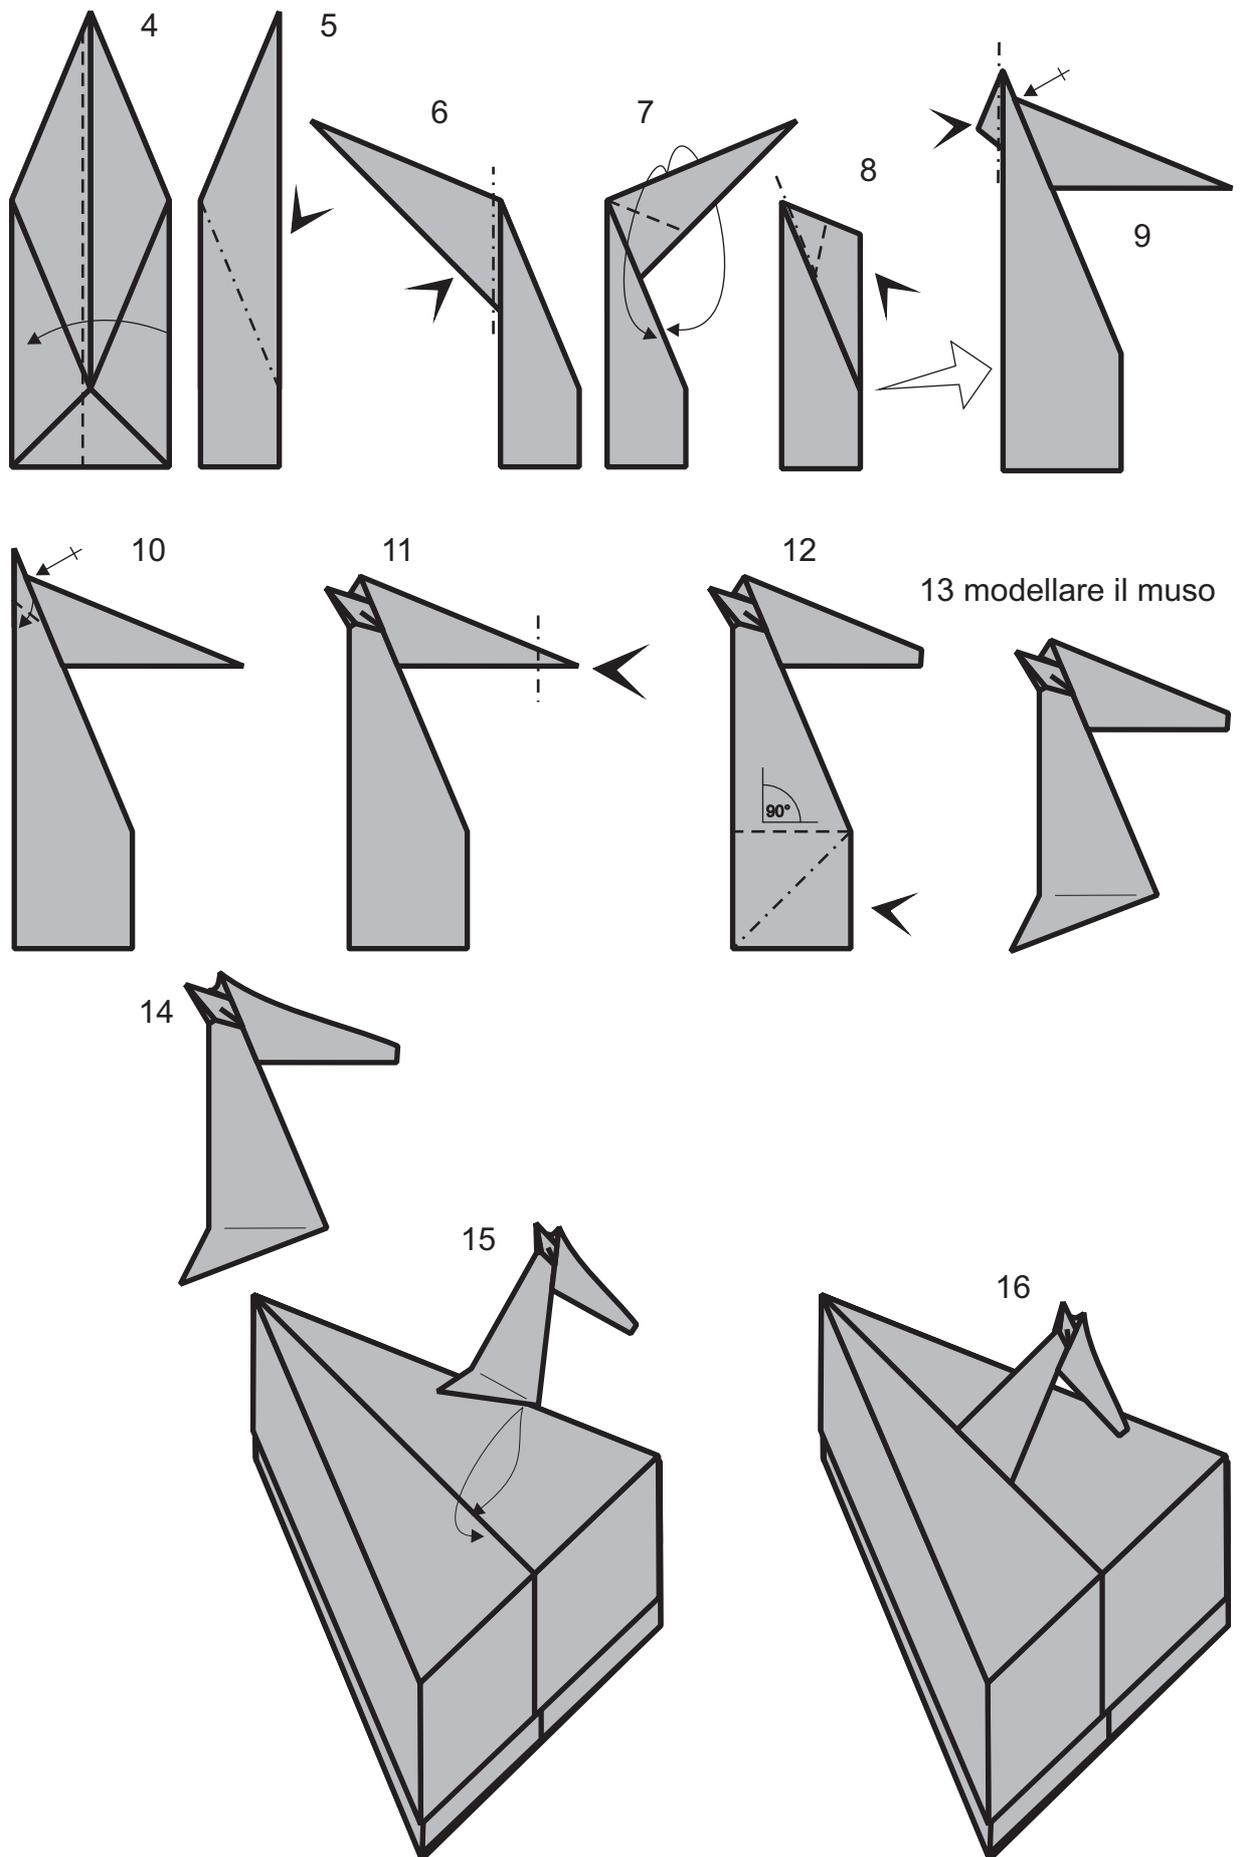

Testa giraffa

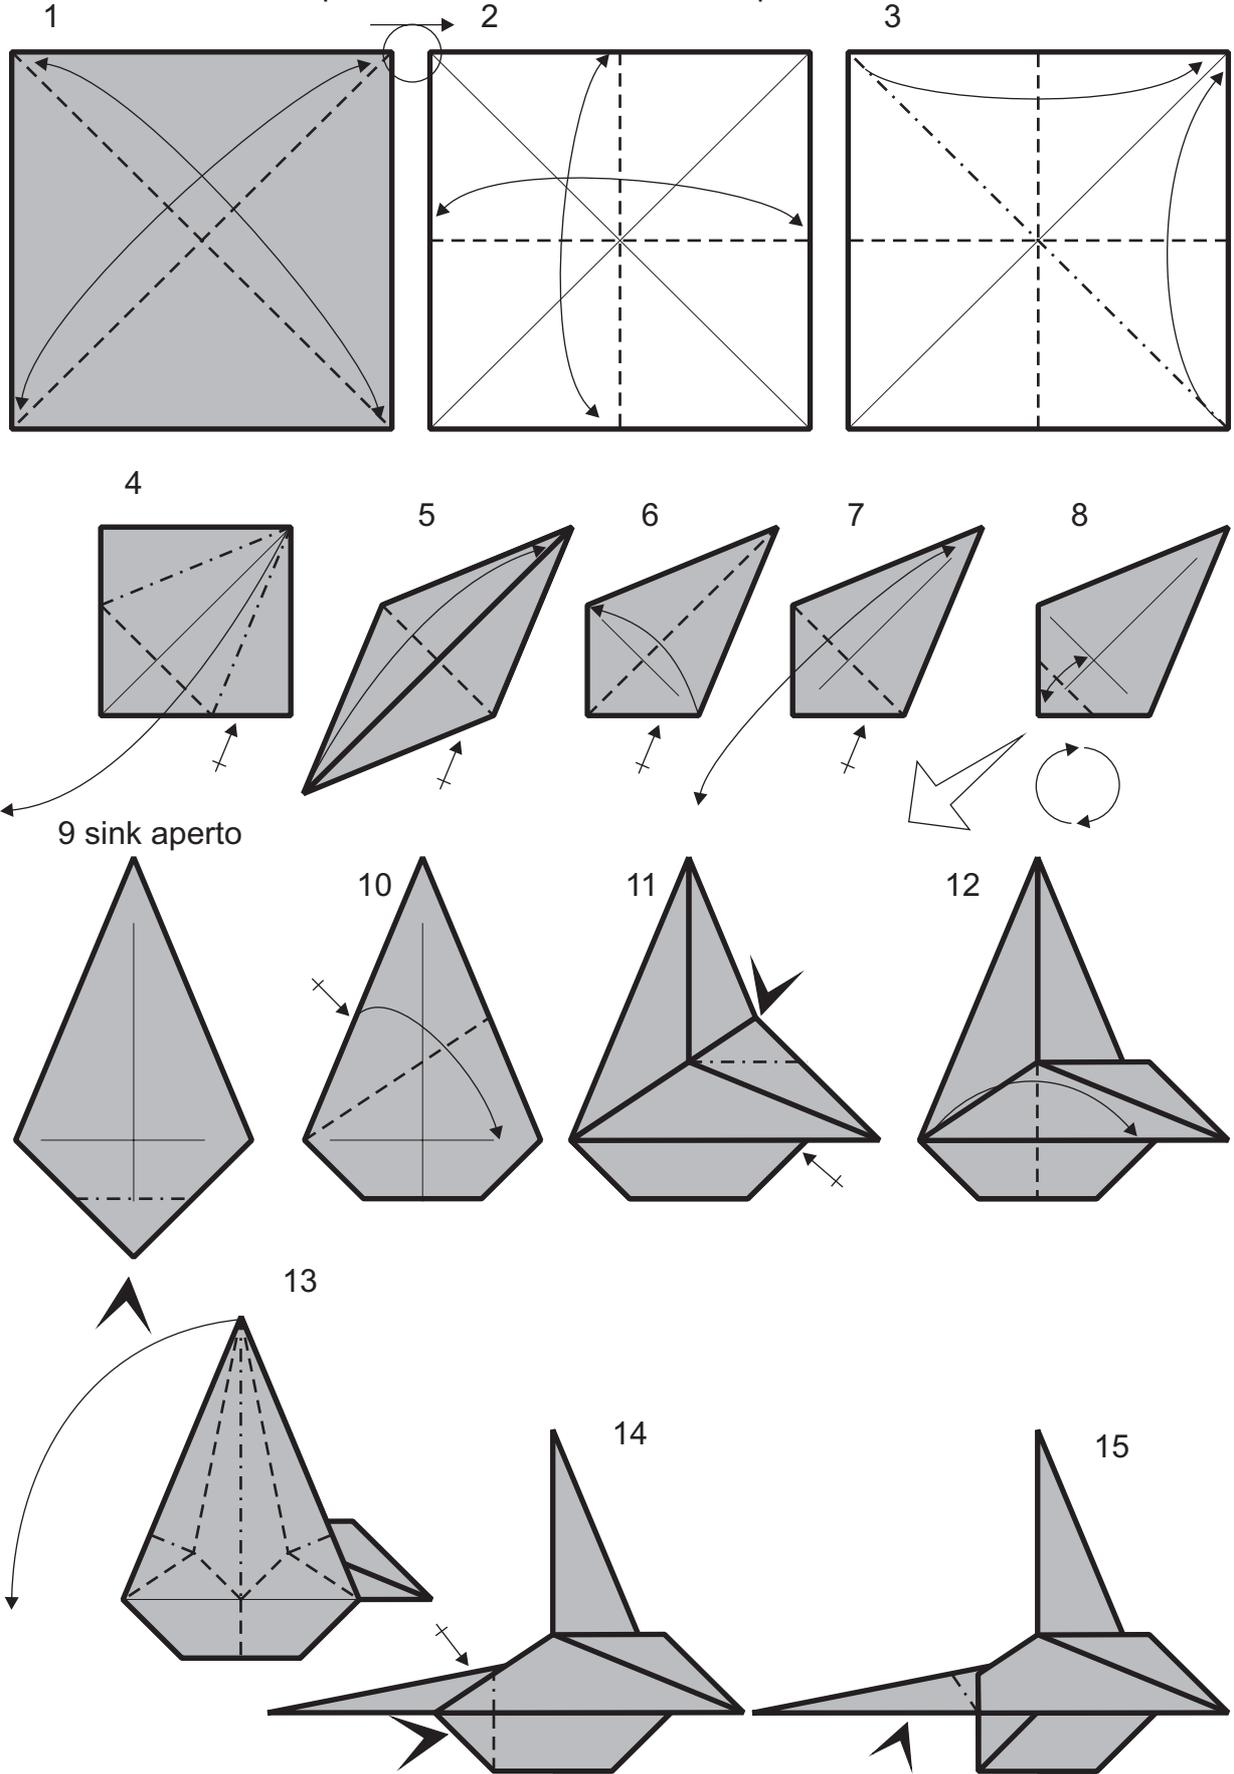

Usare un quadrato, all'incirca la metà di quello della torta.

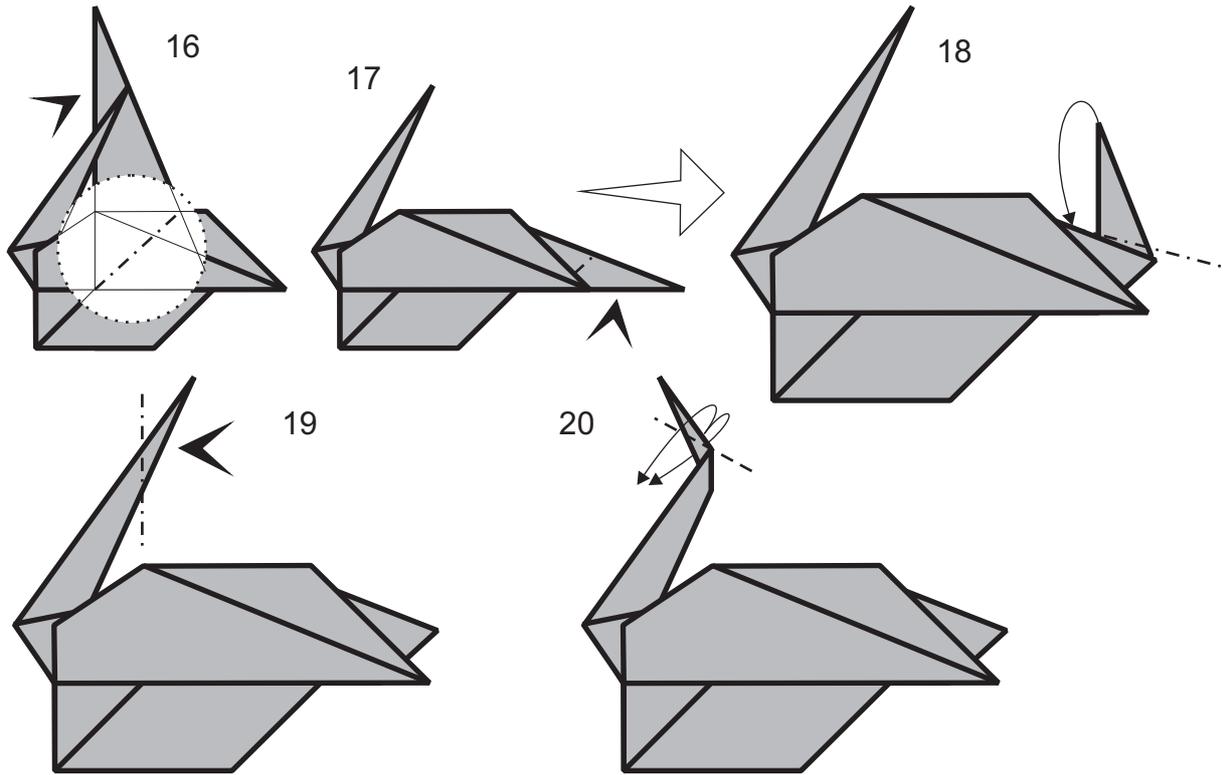

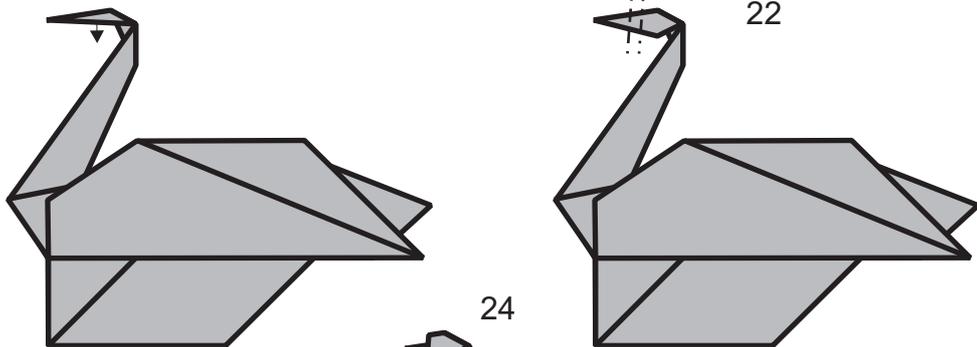

Cigno

Usare un quadrato, all'incirca la metà di quello della torta.

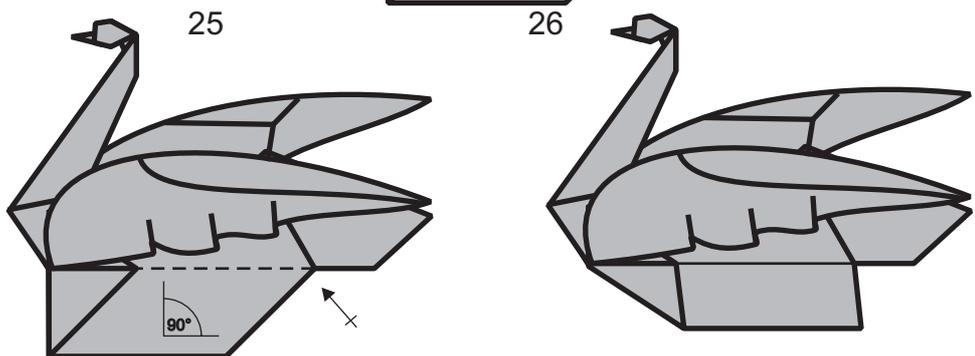

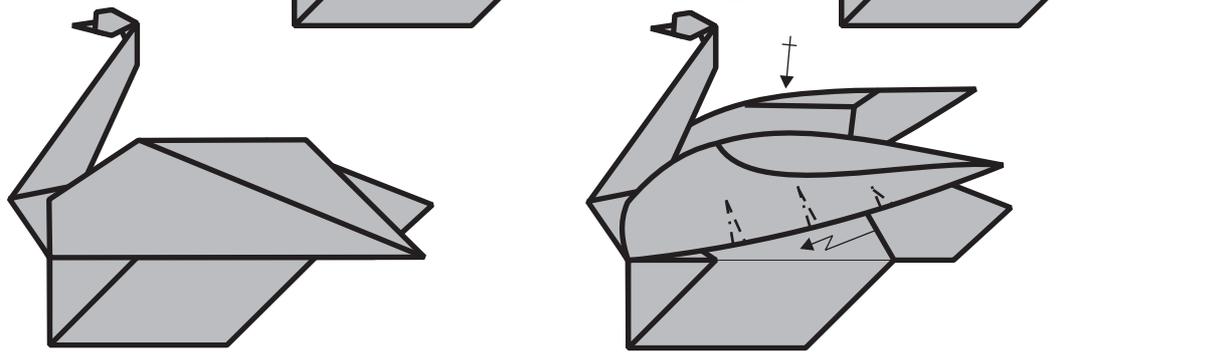

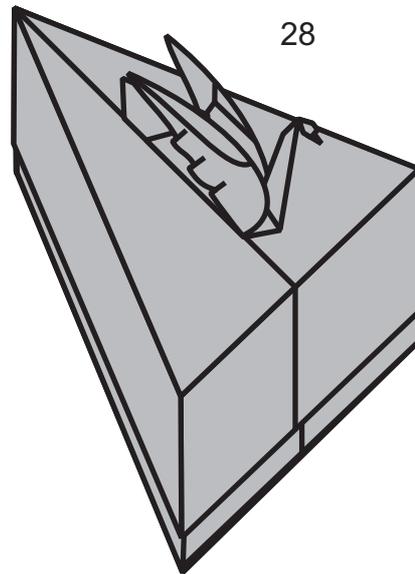

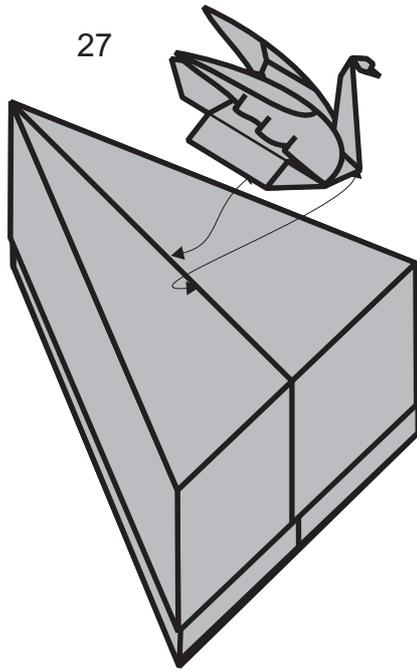

21 Estrarre uno strato

23 aprire le ali

30 per motivo di spazio chiuso con questa torta, ma le modifiche che si possono apportare sono tante, da quelle piccolissime tipo modificare le orecchie del cane per farne uno di un'altra razza a quelle grandissime tipo creare una coppia di sposi per fare una torta nuziale.

sarà che sono tradizionale, ma da mangiare preferisco la solita torta di pan di spagna!!!!
