12 riaprire al passo 9

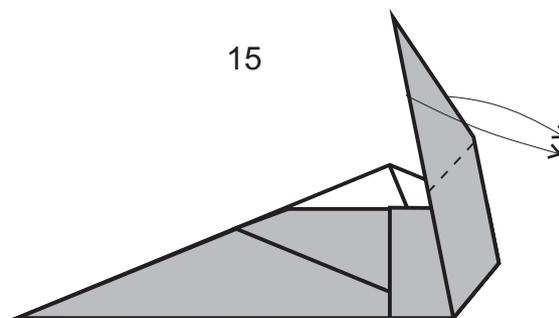

13

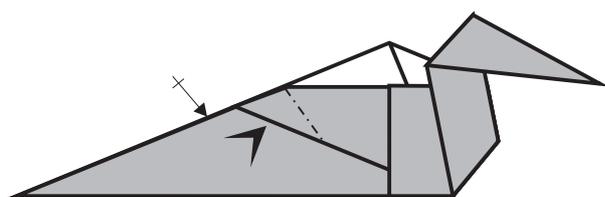

14 sink aperto

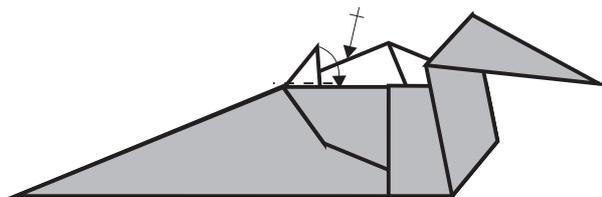

15

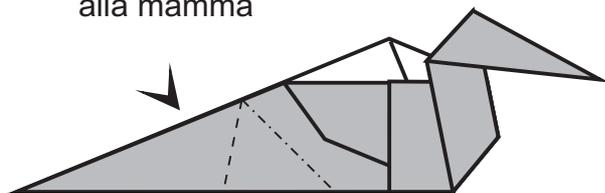

16

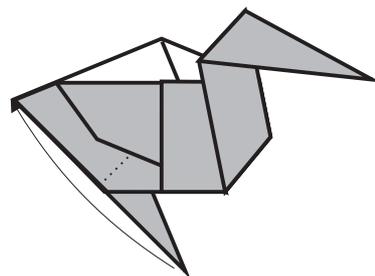

17

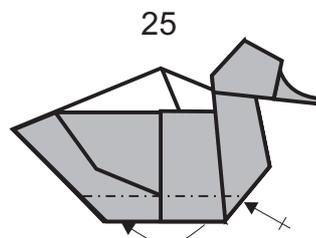

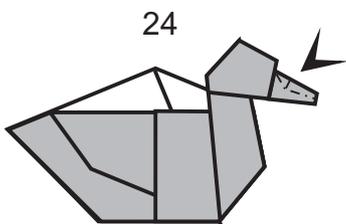

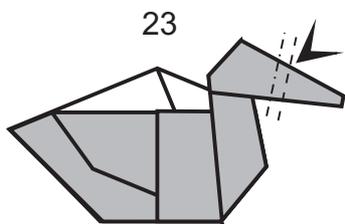

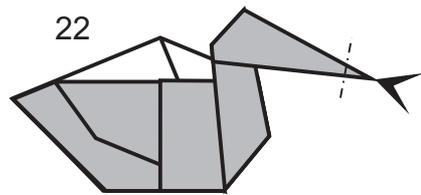

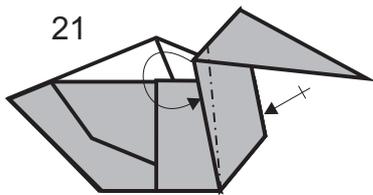

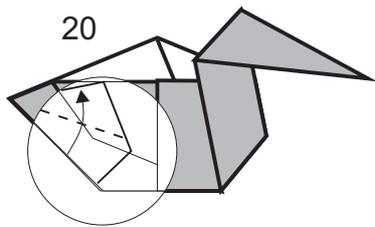

18 questo triangolo che verrà nascosto con le prossime pieghe potrebbe essere utilizzato per rendere l'anitra una spilla, oppure per creare un anatroccolo vicino alla mamma

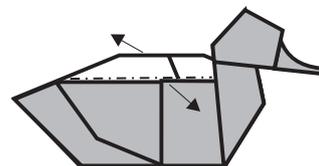

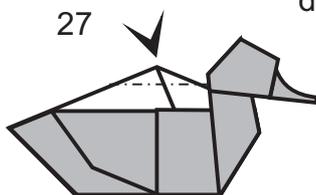

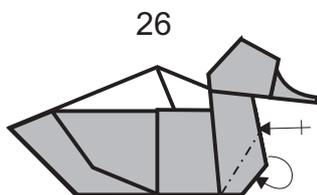

19

28 schiacciare in basso il bianco per dare tridimensionalità al corpo

31 arrotondare tutti gli spigoli e, con l'ausilio di una foto, modellare per renderlo più realistico
