Iniziare con un rettangolo 1X8 preferibilmente di carta metallizzata da un solo lato, il lato di carta normale può essere colorato di nero con un pennarello.

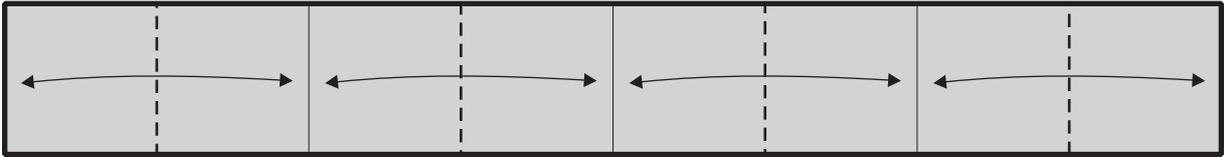

1

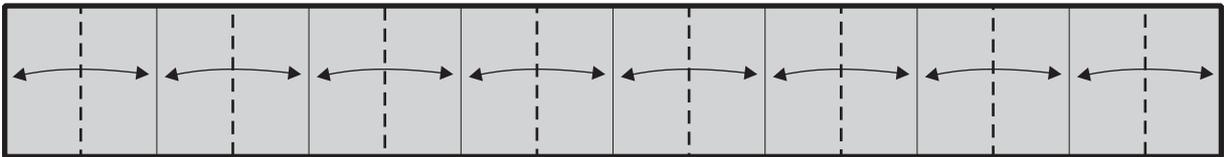

2

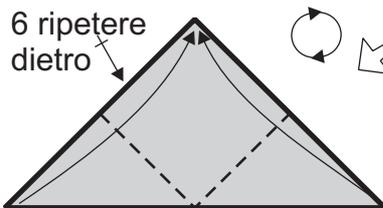

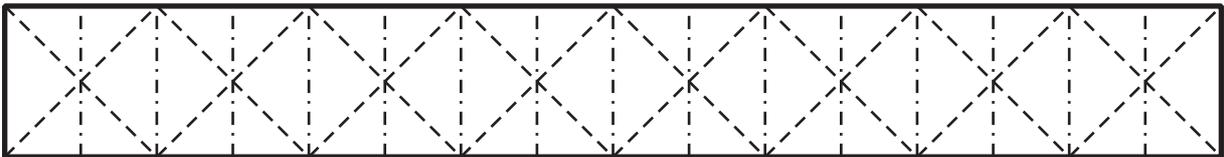

3

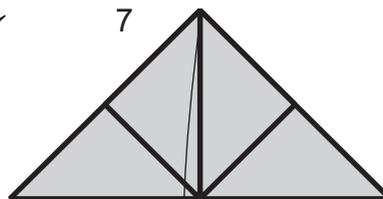

4

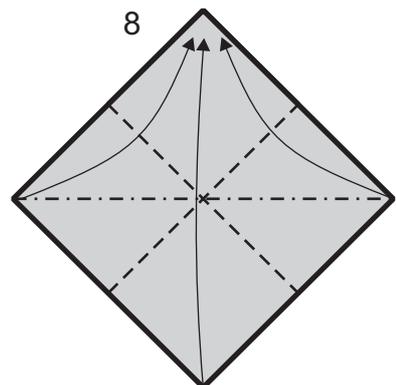

5

6 ripetere dietro

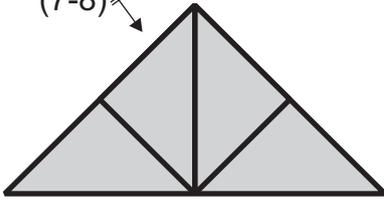

7

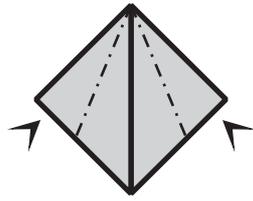

8

9 ripetere altre 5 volte

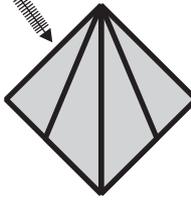

(7-8)

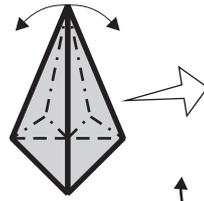

10

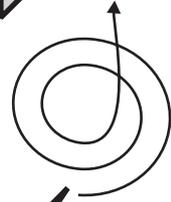

11 ripetere su tutte le punte

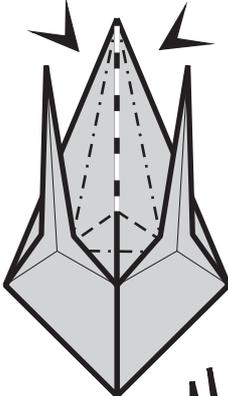

12

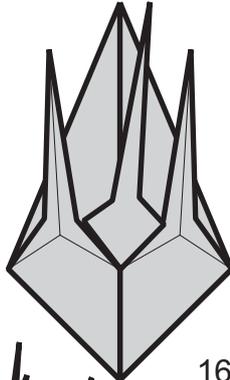

15 chiudere a spirale e allargare le spine

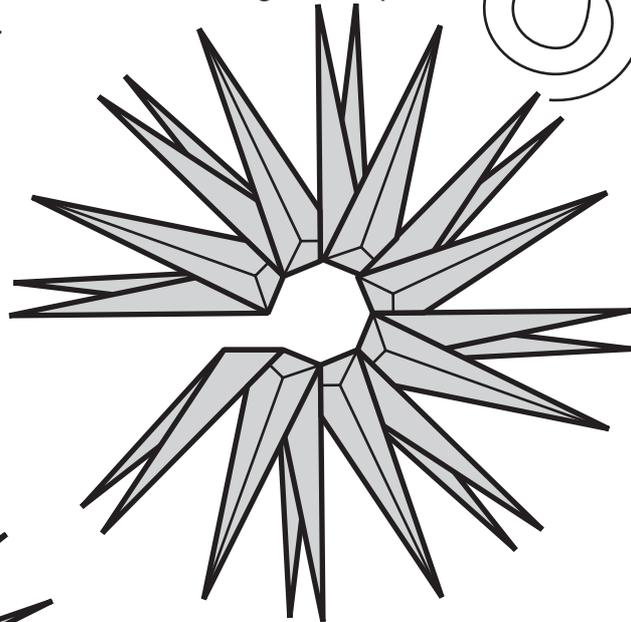

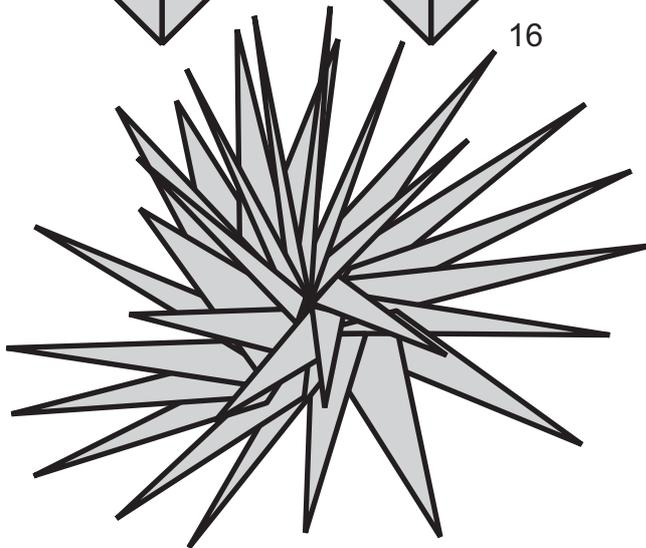

13

14 continuare per tutte le punte

16

per fare più spine si può usare un rettangolo più lungo, tipo 1X12
