(45-47)

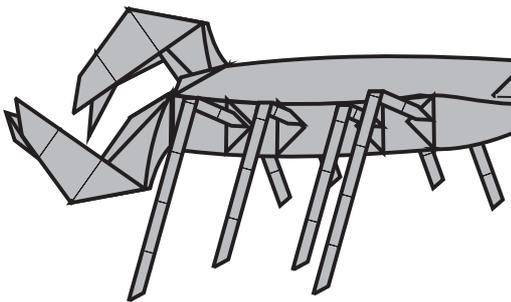

49 questa piega e la prossima vanno fatte contemporaneamente, esse renderanno il corpo più realistico

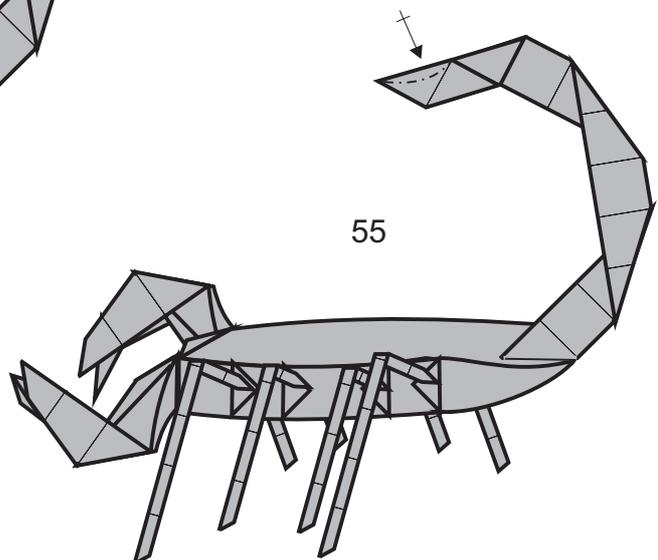

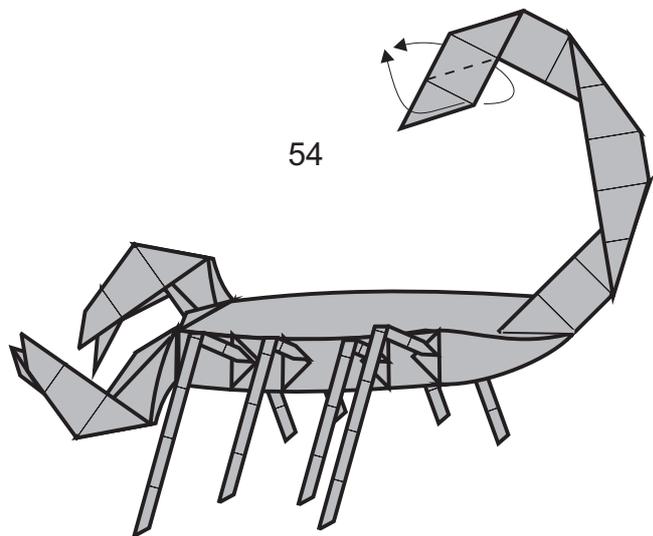

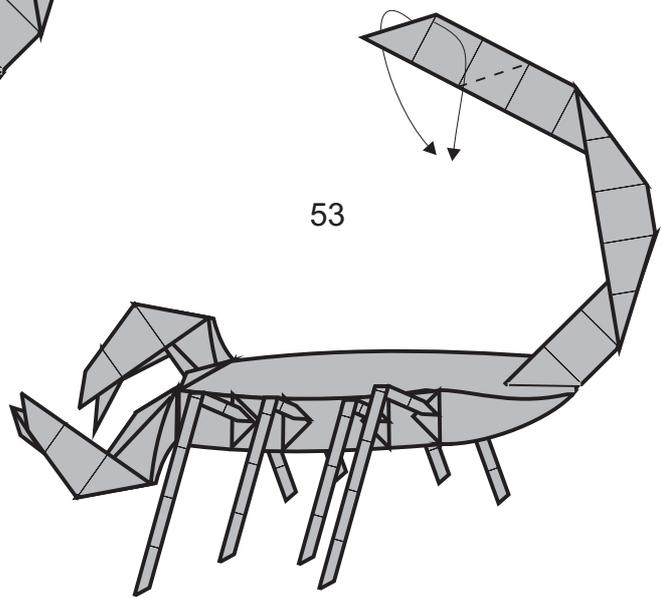

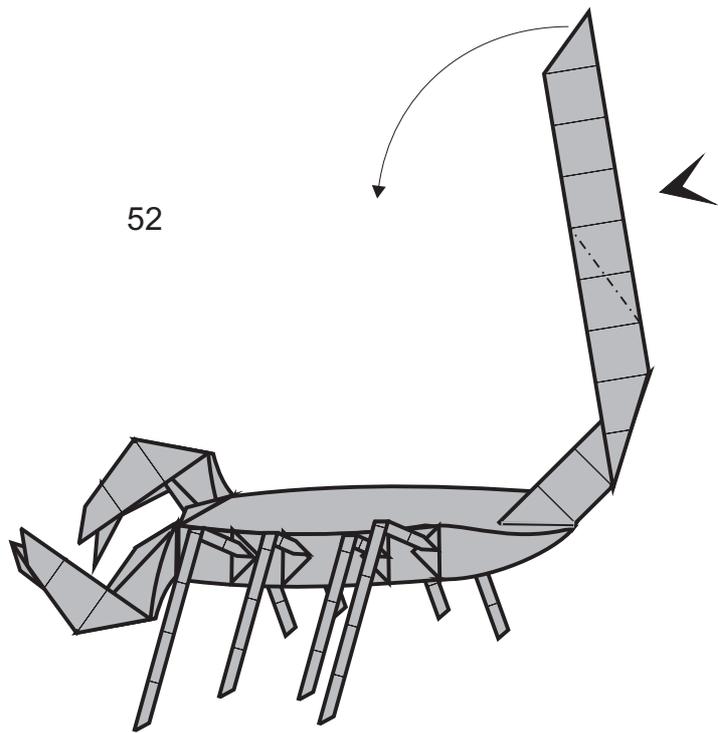

50

51

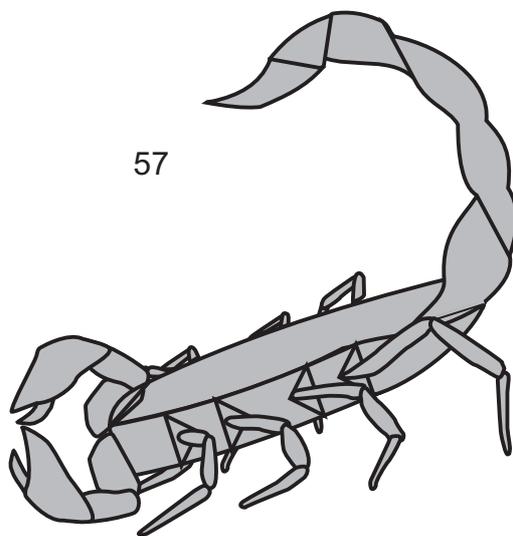

56 arrotondare tutti gli spigoli e se il formato della carta lo permette continuare a modellare il modello (con l'ausilio di una foto) per renderlo più realistico

57

lo scorpione è molto velenoso?

si, ma non quanto mia suocera!
